### SPECIAL EVENTS

From time to time we will have people who have not participated in Growth Groups show interests in joining one. Several fun, one-time events are being planned to help connect these people to those of you who are already in the growth group community. From time to time, we will also have one-time gatherings that will bring all growth groups together or with the whole church. Would you be interested in being part of the Growth Group Special Events team? (example of events: chili cook-off, service projects, picnics and more)

Please feel free to write additional comments below or on the back of this paper.
